Approvals under the Local Government Act 1993

If you wish to carry out one of the following activities, you need the approval of the council. Please identify the activities you propose to carry out, and the documents you have included in your application, by placing a cross in the appropriate boxes . If you have identified one or more of these activities, please include this attachment and the relevant documents with your application. ([Section 4](#))

Structures or places of public entertainment

- Installing a manufactured home, dwelling or associated structure on land
- Installing a temporary structure on land
- X Using a building or temporary structure as a place of public entertainment or permitting its use as a place of public entertainment

Water supply, sewerage and stormwater drainage work

- Carrying out water supply work
- Drawing water from a council water supply or a standpipe or selling water so drawn
- Carrying out sewerage work
- Carrying out stormwater drainage work
- Connecting a private drain or sewer with a public drain or sewer under the control of a council or with a drain or sewer which connects with such a public drain or sewer.

Management of waste

- For fee or reward, transporting waste over or under a public place
- Placing waste in a public place
- Placing a waste storage container in a public place
- Disposing of waste into a sewer of the council

If you want to dispose of trade waste into a sewer that the council controls or that connects to a sewer the council controls please attach the following information to your application:

- the plans and specifications of the work you will do
- the plans and specifications of the equipment you will use
- the nature, quantity and rate of disposal of the waste

If you want to dispose of sewage collected on your premises to a sewer that the council controls or that connects to a sewer that the council controls please attach the following information to your application:

- the type of waste to be disposed
- the amount of waste to be disposed
- the rate the waste will be disposed
- how often the waste will be disposed

- Installing, constructing or altering a waste treatment device or a human waste storage facility or a drain connected to any such storage device or facility.

If you want to install or build a sewage management facility that will be on the land for more than 12 months, please attach the following information to your application:

- a plan (to scale) that shows the location of:
 - the facility you will install or construct
 - any areas of land on which sewage will be applied, eg as fertiliser
 - any buildings or facilities already on the land that are within 100 metres of the proposed facility or the areas on which sewage will be applied
 - any environmentally sensitive areas of land that are within 100 metres of the proposed facility or the areas on which sewage will be applied
 - any related drains or pipes
- the full details of the facility

If you want to install or build a sewage management facility (continued from previous page):

- details of the climate, geography, hydrogeology, topography, soil composition and vegetation of the areas of land on which sewage will be applied and an assessment of the site having regard to these details
- a statement of:
 - the number of people who live or may live at the premises
 - any other factors that are relevant to how much waste the facility can manage
- details of:
 - how the facility needs to be operated and maintained
 - how you propose to operate, maintain and service the facility
 - the action you will take if the facility breaks down or is interfered with drains or pipes

Public roads

- Swinging or hoisting goods across or over any part of a public road by means of a lift, hoist, or tackle projecting over the footway

Other activities

- Operating a public car park.

If you want to operate a public car park please attach the following information to your application:

- a plan (3 copies) that:
 - identifies the land and related streets
 - describes the building if the car park is in a building, its location on the site and any other purpose for which the building will be used
- number of vehicles that can be parked in the car park and how this will be done
- how the vehicles will enter, move around and leave the car park
- off-street parking facilities available for vehicles waiting to use the car park
- ventilation that you will provide if the car park is in a building
- whether any petrol, oil or motor service facilities will be provided in the car park
- the hours the car park will operate, how the fee or charge for using the car park will be collected, and where any facility for collecting the fee or charge will be located.

- Operating a caravan park or camping ground
- Operating a manufactured home estate
- Installing a domestic oil or solid fuel heating appliance, other than a portable appliance
- Installing or operating amusement devices (within the meaning of the *Construction Safety Act 1912*)
- Installing or operating amusement devices prescribed by the regulations under the *Local Government Act 1993* in premises
- Operating an undertaker's business
- Operating a mortuary
- Operating a system of sewage management
