

# Expression of Interest – Casual Labourers

The **Drought Communities Programme** is a Federal Government initiative designed to assist drought-affected communities by providing the local economy with an immediate cash injection. As a recipient of the Drought Communities Programme, Gwydir Shire Council is excited to coordinate the delivery of numerous community projects via its procurement activities and casual employment opportunities.

In order to deliver the planned projects, Gwydir Shire Council would like to invite those affected by the drought to apply for a number of casual labouring positions.

Employment is funded via the Drought Communities Programme up until 30<sup>th</sup> June 2019 and provides a perfect opportunity to join the Council's diverse, multi-skilled workforce. As a casual labourer, you will be an energetic, motivated person who enjoys manual duties. All labouring positions involve multi-skilling and the interchange of duties when and where required.
